Hello Tiffany,

Thank you for the info. I have added Lakesha since her CARE team goes more frequently and she also oversees the proactive outreach teams in the Valley who are not tied to CARE or CARE+.

@ Lakesha, CD 2 will like to have a call regarding this location. I can cover it, but I wanted to loop you in, in case you'll also be available.

10am is usually a good window for me. Does 10am next week on either Tuesday, Wednesday, or Thursday work for all?

Best,

Enrique Martinez Jr.

Hi Enrique,

This location is on CARE at least once a week, and is on CARE+ twice a month...if possible, maybe both SPA 2 managers would benefit from the call as this location is an ongoing issue.

Quick question. Will this be a CARE or CARE+ location? Just asking, so I know what Spa 2 LAHSA manager we'll benefit by having on the call as well if available.

Hi Enrique,

I hope all is well with you. I wanted to check in with you regarding the encampment issues we are having at [11476 Hatteras st.](#)

I was hoping to arrange a meeting so we could coordinate outreach to this site. We have received numerous reports from the constituents at this location regarding HAZMAT issues--i.e. urination, defecation, rat droppings, etc.

Please let me know a date you are available to further discuss next steps for this location as it is one of our highest priority encampments at this time.

Thank you in advance.
